

Totally Outrageous Challenge

October 10, 2004

Frank Tiano, world famous Top Gun contest director joins Steve Rojeki, TOC contest director, in presenting the new T.O.C., the Totally Outrageous Challenge at HobbyVisions on October 10th in Las Vegas. The Totally Outrageous Challenge will honor Bill Bennett and the TOC in an exhibit of appreciation on October 10, 2004. This one-day RC extravaganza will feature the best fliers from around the world as they participate in events like Free-Form, 3-D and Fun-Fly. We feel that this type of event will not only be compelling for the spectator but will also inspire potential newcomers, so that they, too, can join in on the radio control fun our sport has to offer. For more information on how to participate in this event contact Frank Tiano at frank@franktiano.com

Shuttle buses will leave to and from the Sands Convention Center to the T.O.C. Flying Field every hour starting at 9:00am and ending at 7:00 pm.

Leaving the Sands / Venetian, turn right onto Las Vegas Boulevard. Turn left onto Sahara Avenue. Take Sahara Avenue to 1-15 North. Exit 1-15 North at 95 East interchange. Follow 95 East (also called 93 and 515) to the Russell Road exit. Turn left onto Russell Road and go straight across the intersection. The William G. Bennett T.O.C Flying Field is located behind the Sam Boyd Silver Bowl Sports Complex.
